PETER A. MOORE, JR., CLERK
US DISTRICT COURT, EDNC
BY 345 DEP-CLK

8/9/18

Judge Boyle,

This Eric C. Hall. Attorney H.P. Williams, Jr came to see me and asked me did I want him to withdraw from my case. I told him to please do (yes) cause I don't trust him. Mr. Boyle that's why I said what I did at my sentencing 6/20/18 in front of Mr. Williams. Judge Boyle Mr. Williams said he was going file a motion to withdraw from my case will you please grant it and appoint me a new attorney.

Judge Boyle you had the government to redo my (PSI) report. 6/20/18 Mr. Williams redid my objections and he never even came to see me about it. I want to fight the ghost dope (19802) CW-3 Emily M. Barnes put on me. The probation Officer said CW-3 has been deemed credible and reliable. Judge Boyle I have proof she lied to police. CW-3 statement Feb, 19th 2016 she said she did^{nt} know anything about know

drugs or gun in her hotel room.
4/25/16 she call (911) and provided
false information. Affidavit
(Pg. 4 #11.) Sol #2 is Emily M. Barnes
CW-3 second statement about
Feb. 19 2016 hotel incident she
made May 3rd 2016. She knew
anything and everything the Det.
asked, so her first statement
was a lie then. 1/9/18 a month
before my trial for her to testify
she got arrested in Nash County
for trafficking Opium and Cocaine.
That was the same drugs in her
hotel room Feb. 19th 16 that I got
charge for. Plus I have a letter
from her Mother MS. Teresa B. Barnes
saying Emily is not capable of telling
the truth she take anything she
says with a grain of salt. What
ever that means... but I can
prove everything I said.

Judge Boyle (CW-3) Emily M. Barnes
word is not reliable or credible.

Thank You
Jawc. Hall
